

Renowned Neurosurgeon with three decades of experience joins Sunrise Medical Group

Sunrise, FL – May 1, 2014 – Sunrise Medical Group (SMG) is pleased to announce an expert in neurological surgery, Guillermo Pasarin, MD, has joined the SMG Network. Dr. Pasarin is board-certified by the American Board of Neurological Surgery and is a member of the American Association of Neurological Surgeons. His areas of interest include the management of non-surgical neck and back pain, cervical and lumbar spine surgery, cranial and neuronavigational surgery, stereotactic radiosurgery and cervical artificial disc surgery. Dr. Pasarin's SMG practice is conveniently located at 3540 N. Pine Island Rd. in Sunrise. He operates on-staff at Florida Medical Center, a campus of North Shore, in Fort Lauderdale.

Dr. Pasarin completed the entirety of his education and training in Miami. He finished his chief residency in Neurological Surgery at the Jackson Memorial Hospital (teaching hospital at the University of Miami). His junior residency was also in Neurological Surgery at the hospital and he attended medical and undergraduate school at the University of Miami. Dr. Pasarin is a member of the Interamerican College of Physicians and Surgeons, the American Medical Association, the North American Spine Society and the Congress of Neurological Surgeons. Dr. Pasarin is also fluent in both English and Spanish. He began practicing medicine in 1986 and has been enlisted in the United States Army Reserves as a medical corps officer since 1987.

In 1991, Dr. Pasarin was the research assistant at the University of Miami on The Miami Project to Cure Paralysis and in 2007 was part of an electron microscopy research project. He also continues to teach at the University of Miami and Jackson Memorial Hospital. Dr. Pasarin has published numerous neurological and spinal research articles in medical journals and books, and has also written several abstracts on his research throughout his residencies.

Sunrise Medical Group

Our integrated Sunrise practices proudly serve the residents of South Florida, offering neurological, diagnostic and therapeutic care. Our divisions include Sunrise Medical Group Neurology, Palm Beach Neuroscience Institute, Sunrise Pulmonary Group, Sunrise MRI, and Sunrise Sleep Diagnostics. Collectively, our practices offer the outpatient services of more than 30 physicians at 12 locations and inpatient care at many hospitals throughout Dade, Broward, and Palm Beach counties.
